"Something New Under The Sun"
All Doctors have tried to cure CATARRH by the use of powders, acid gases, inhalers and drugs in paste form. Their powders dry up in the mucous membrane causing them to crack open and bleed. The powerful acids used in the inhalers have entirely eaten away the same membranes that their makers have aimed to cure, while pastes and ointments cannot reach the disease. And old and experienced practitioners who have for many years made a close study and specialty of the treatment of Catarrh, has at last perfected a treatment which when faithfully used not only relieves at once, but permanently cures Catarrh, by removing the cause, stopping the discharges, and curing all inflammation. It is the only remedy known to science that actually reaches affected parts. This wonder remedy is known as "SNUFFLES, THE GUARANTEED CATARRH CURE" and is sold at the extremely low price of One Dollar, each package containing internal and external medicine sufficient for a full month's treatment and everything necessary to its perfect use.

"SNUFFLES" is the only CATARRH CURE ever made and is now recognized as the only safe and positive cure for that annoying and disgusting disease. It cures all inflammation quickly and permanently and is also wonderfully quick to relieve Hay FEVER or COLD IN THE HEAD. CATARRH when neglected often leads to CONSUMPTION—"SNUFFLES" will save you if you use it at once. It is no ordinary remedy, but a complete treatment which is positively guaranteed to cure CATARRH in any form or stage if used according to the directions which accompany each package. Don't delay, but send for it at once, and write full particulars to your condition, and you will receive special advice from the discoverer of this wonderful remedy regarding your case without cost to you beyond the regular price of "SNUFFLES" and the "GUARANTEED CATARRH CURE".

Sent prepaid to any address in the United States or Canada on receipt of One Dollar. Address Dept. 1, EDWIN B. GILES & COMPANY, 2200 and 2202 Market Street, Philadelphia.

"I recall now with horror," say mail carrier Burnett Mann, of Levanna, O., "my three years of suffering from kidney trouble. I was hardly ever free from dizziness or acute pains in my back. To stoop or lift mail sacks made me groan. I felt tired, worn out, about ready to give up, when I began to use Electric Bitters, but six bottles completely cured me and made me feel like a new man. They're unrivaled to regulate Stomach, Liver, Kidneys and Bowels. Perfect satisfaction guaranteed by F. B. Gunter, only 50 cents.

Recognized at Washington
The only instance on record when a post office has been named after a patent medicine, was last year, when in Wetzel County, W. Va. a new post office was established and named Kodol, after the famous Kodol Dyspepsia Cure manufactured by E. C. DeWitt & Co., of Chicago. It had given such satisfactory results that the name was unanimously selected by the people for the new office and adopted by the department at Washington, D. C.
